Please submit a resume or artist statement, examples of your work in a CD, a sheet describing each example - size, media, price (if for sale). Please include skills you might have to aid the gallery business. (for example computer skills, bookkeeping skills, sales skills, design skills, graphic arts, marketing skills)

I understand that as a member of LSG I need :

1. to be an active participant in at least one committee to help the gallery function
2. I need to work 2 shifts a month ( 10 hours)
3. I need to come to the every-other- month all member meetings - the second Monday of the month in the evening
4. to attend as many opening s - the First Friday of the month - as I can. People like to talk to artists and most of our sales are during this opening night.
5. I need to be a working artist so I can bring in new work every month when the gallery changes the exhibit.
